FOR A DIVERSE
AND CHANGING
WORLD

Vision

The professional education unit at K-State prepares educators to be knowledgeable, ethical, caring decision makers for a diverse and changing world.

The concepts critical to the vision are defined as:

Knowledgeable

To possess (through instruction, experience, study, and research) truths, fact, principles, and other objects of perception.

Ethical

To behave in accordance with the rules or standards of a profession.

Caring

To feel and to give interest, concern, regard, and respect.

Decision Maker

To arrive at determinations or conclusions after careful consideration.

Mission

In support of the university mission, the unit's mission promotes:

- Delivering exemplary instruction to students at the undergraduate and graduate levels;
- Producing, interpreting, and disseminating sound, useful research and scholarship;
- Leading, collaborating, and serving within the profession; and
- Promoting, understanding, and celebrating diversity.
