*Preparing Educators to be Knowledgeable, Ethical, Caring Decision Makers
for a Diverse and Changing World*

MISSION STATEMENT

The College of Education is dedicated to preparing educators to be knowledgeable, ethical, caring decision makers for a diverse and changing world through excellence in the:

- delivery of exemplary instruction to students at the undergraduate and graduate levels;
- production, interpretation, and dissemination of sound and useful research and scholarship;
- leadership, collaboration, and service within the profession; and
- promotion, understanding, and celebration of diversity.

PROGRAM DESCRIPTION

The Ed.D. in Curriculum and Instruction is designed for advanced students teaching in a national or international K-12 educational context who want to develop a superior level of pedagogical competency and expertise in their professional field with an emphasis on practice and leadership. The program provides an understanding of the contextual application of research to practice.

ADMISSION REQUIREMENTS

Admission to graduate study is granted by the Dean of the Graduate School upon the recommendation of the faculty in the graduate program. Applicants seeking admission to this doctoral degree program must submit the information noted below. Before starting the online application, gather all information and documents for all of the following admission requirements so that they can be entered into the application. *All materials must be received before review will begin.*

The Curriculum and Instruction Ed.D. program is an online cohort program, which can be completed in three years. Portions of two on campus summer sessions are expected for program completion for Track 1. Portions of three on campus summer sessions are expected for program completion for Track 2. The intended audience is domestic and international practicing teachers.

Domestic: Applicants must be a currently employed K-12 or administrator and remain under contract with a K-12 system for the duration of the degree program. Applicants must have a minimum of 3 years K-12 teaching experience. A M.S. degree and 3.0 or higher GPA are required at the time of application. Applicants must possess an undergraduate and graduate degree from a recognized and accredited institution.

International: Applicants must be currently employed as an educator in their national system. Applicants must have a minimum of 3 years teaching experience. A M.S. degree and 3.0 or higher GPA are required at the time of application. For demonstration of English language proficiency see the information under H below. Applicants must possess an undergraduate and graduate degree from a recognized and accredited institution.

Note the Program Tracks for Domestic and International Students:

Program Track (9 credit hours). Select one of the following program tracks. All track courses are offered in the summer sessions.

- A. Track 1 (Domestic)
 - EDCI 882 Teaching and Learning Models
 - EDCI 900 Introduction to Ed.D. Doctoral Studies
 - EDCI 901 Literature Reviews for Doctoral Research
- B. Track 2 (International)
 - EDCI 845 ELD/Dual Language Methods
 - EDCI 846 ELD/Culture and Language in Classroom Practice
 - EDCI 847 ELD/Dual Language Assessment

A. A Completed Online Graduate School Application

Go to the Graduate School home page <http://www.k-state.edu/grad/> and click on “Apply Now.” Follow the prompts for completing the process.

Application Deadlines

The Graduate School application and all additional documentation must be received by the following deadline dates for admission in a particular semester.

Domestic Students	Summer Semester	May 1
International Students	Summer Semester	December 1

B. Graduate School Application Fee

Domestic Students—A \$65 application fee is required for all domestic students; *your application will not be processed without this fee.* The fee can be paid by credit card when completing the online application.

International Students—A \$75 application fee is required; *your application will not be processed without this fee.* The fee can be paid by credit card when completing the online application.

C. Transcripts

You must upload to the online application a scanned PDF copy of the transcript(s) from each college or university where you received your bachelor's degree(s) and completed any post baccalaureate course work or degrees. Unofficial transcripts are acceptable.

If you are admitted, the Graduate School will contact you to submit an official transcript for GPA and degree conferral verification from the institution(s) where you received your degree(s) and completed any post-baccalaureate credits.

Students whose transcripts are not in English must furnish a translation by an appropriate authority. Failure to list any colleges or universities attended may result in dismissal from the university.

D. Statement of Professional Goals and Areas of Inquiry in My Educational Context

You must upload to the online application a 1-2 page statement that includes the following information:

- Career and professional goals and aspirations, and how being accepted to the program will benefit the goals and aspirations
- Areas for instructional improvement in your educational context or school that will serve as your research focus
- A description of your work experience with education or a related field (e.g., past and present employment)

E. Letters of Recommendation

Three letters of recommendation are needed from

- (1) a supervising administrator,
- (2) a colleague, and
- (3) a graduate school professor, all of whom are qualified to address your professional skills and your potential for success in the graduate program. Enter the names and email addresses of the recommenders in the appropriate area in the online application.

F. Resume

You must upload into the online application a professional resume that includes previous academic degrees, past and present employment, other professional activities and roles, and other pertinent information.

G. Writing Sample

You must upload into the online application a writing sample that is original and independently written in English. A writing sample may be a research or practice paper written for a previous graduate course, a published article, or other writing for an academic audience (no more than 20 pages).

H. English Language Proficiency

To demonstrate competence in the English language, an official report of scores not more than 18 months old (see the Graduate School web site for dates) on the Test of English as a Foreign Language (TOEFL), International English Language Testing System - academic exam (IELTS) or Pearson Test of English (PTE) must be sent to Kansas State University for all applicants whose primary language is not English. Enter your scores in the online application and upload the report of your scores.

Learn more about English proficiency requirements at:

<http://www.k-state.edu/grad/admissions/application-process/international/>

INTERNATIONAL APPLICANTS

International applicants must meet the same academic standards for admission as those required of domestic students. When applying for admission, documentation of **English language proficiency** must be provided with your uploaded application materials. Detailed information about these issues is provided at the following website:

<http://www.k-state.edu/grad/admissions/application-process/international/>

THE REVIEW PROCESS

These are the steps in the application and review process:

1. The applicant completes the online graduate application. This includes paying the application fee and uploading all additional documentation that is required.
2. Once the online application has been completed and all needed additional documentation has been provided, the graduate program to which the student is applying will review the application and make an admission recommendation to the Graduate School.
3. The Graduate School reviews the application and the recommendation from the department. The Graduate School then sends an official decision letter to the applicant.
