## FREQUENTLY ASKED QUESTIONS

### WHAT IS MAT?

The Master of Arts in Teaching (MAT) opens a pathway to secondary teaching for career changers. Students earn a master's degree and recommendation for a Kansas 6-12 teaching license in agricultural education, English/language arts, mathematics, or social studies OR a Kansas K-12 teaching license in modern languages (Chinese, French, German, Japanese, and Spanish). The master's degree combines rigorous online coursework with field experiences in accredited secondary schools convenient to students in the program. Upon completion, students will be able to apply for teacher certification.

### HOW IS THE PROGRAM ORGANIZED?

The secondary MAT consists of two flexible tracks.

- **Practitioner track:** For students who pursue the MAT while teaching full-time. Kansas teachers may be eligible for a Restricted License.
- **License-seeking track:** For students who pursue the MAT while continuing their current employment.

### WHEN CAN I APPLY?

Applications are accepted year-round. Applicants should plan to apply within two to three months from the start of the semester. The fall semester begins in late August, the spring semester begins in late January, and the summer semester begins in mid-May.

### WHAT ARE THE DEGREE AND GPA REQUIREMENTS?

Bachelor's degree with sufficient background in the content field and 3.0 GPA overall or in the final two years. Each secondary coordinator reviews transcripts (see below). If your GPA is below 3.0, consult your subject area coordinator for suggestions.

### WHO IS MY SECONDARY COORDINATOR?

- **Agriculture:** Dr. Jonathan Ulmer ([julmer@ksu.edu](mailto:julmer@ksu.edu))
- **English/Language Arts (ELA):** Dr. Suzanne Porath ([sporath@ksu.edu](mailto:sporath@ksu.edu))
- **Mathematics:** Dr. Michael Lawson ([mlawson1@ksu.edu](mailto:mlawson1@ksu.edu))
- **Modern Languages:** Dr. Leah McKeeman ([leahmac@ksu.edu](mailto:leahmac@ksu.edu))
- **Social Studies:** Dr. Tom Vontz ([tvontz@ksu.edu](mailto:tvontz@ksu.edu))

### WHAT TESTS ARE REQUIRED?

To be admitted to the program, a student must submit a passing PRAXIS score in the designated subject area [[Agriculture \(5701\)](#), [Chinese \(Mandarin\) \(5665\)](#), [English Language Arts \(5038\)](#), [French \(5174\)](#), [German \(5183\)](#), [Mathematics \(5165\)](#), [Social Studies \(5081\)](#), [Spanish \(5195\)](#)].

## FAQs CONTINUED

### WILL THE DEGREE TRANSFER TO OTHER STATES?

Yes, the degree and teaching certificate do transfer to other states. Kansas has reciprocal licensing agreements with all other states; however, students may be required to complete an additional test or other state-specific requirements (e.g., state history and/or constitution).

### HOW DO STUDENTS COMPLETE FIELD EXPERIENCES?

Students complete field experiences (practicum and student teaching) in accredited schools near where they currently live. MAT students are required to obtain a device that enables recording, such as a tablet or video-enabled phone. The combination of these technologies enables real-time and video classroom observations and evaluation.

### IS FINANCIAL AID AVAILABLE?

- [Kansas Teacher Service Scholarship](#): Applications are due May 1.
- [K-State Global Campus Scholarships](#): The application deadline is April 1 for the summer, June 1 for the fall, and Nov. 1 for the spring.
- [Federal Loan Forgiveness for Teachers](#): Maximum benefits \$17,500.
- [FAFSA](#): Completing the FAFSA is required to be eligible for several of the financial assistance programs listed above.

### WHAT IS THE PROGRAM COST?

- Tuition is \$536.13 per credit hour.
- 31 credit hours x \$536.13 = \$16,620.03
- Tuition is paid semester by semester and is based on credit hours of enrollment.

### CAN I CONTINUE TO WORK IN MY CURRENT POSITION?

Yes. However, during the semester you enroll in EDCI 800, you are required to arrange (with your cooperating teacher/school) 64 hours of teaching experience; during EDCI 801, you will complete 12 weeks of full-time student teaching and will not be able to continue full-time employment.

### I AM A PARA-EDUCATOR. WILL MY JOB "COUNT" FOR MY FIELD EXPERIENCES?

No. Although we might be able to place you in the school in which you work, your work as a para does NOT count toward field experiences. Your field experiences require you to demonstrate additional skills beyond your excellent experiences as a para.
