# ELEMENTARY EDUCATION

Elementary education provides a foundation of knowledge and skills for future K-6 teachers, including:

- Instructional strategies
- Techniques for planning, classroom management, diversity, discipline, and assessment
- Strategies to adjust instruction to meet the needs of all learners

You will have the opportunity to choose your path in:

- English
- English as a Second Language
- Mathematics
- Modern Languages
- Online Teaching
- Open Option
- Science
- Social Science
- Special Education

# SECONDARY EDUCATION

Secondary education is truly the best of both worlds. You can dedicate your professional expertise to a specific area of interest or talent, at the same time, you can help students cultivate their passions in that same area. There are a number of teaching fields to choose from, including:

- Agriculture \*
- Art
- Biology
- Business
- Chemistry
- Earth and Space Science
- English
- English/Journalism
- Family & Consumer Sciences \*
- Journalism
- Mathematics
- Modern Languages (Chinese, French, German, Japanese, Spanish)
- Music \*
- Physical Education/Health
- Physics
- Social Studies
- Speech/Theatre
- Technology Education

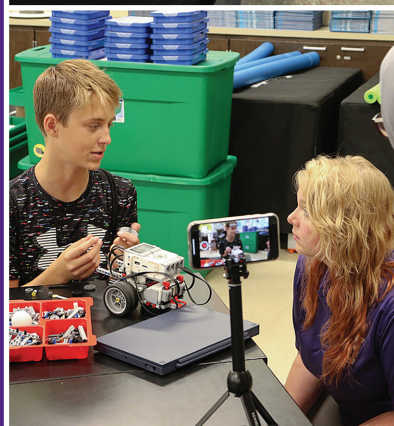

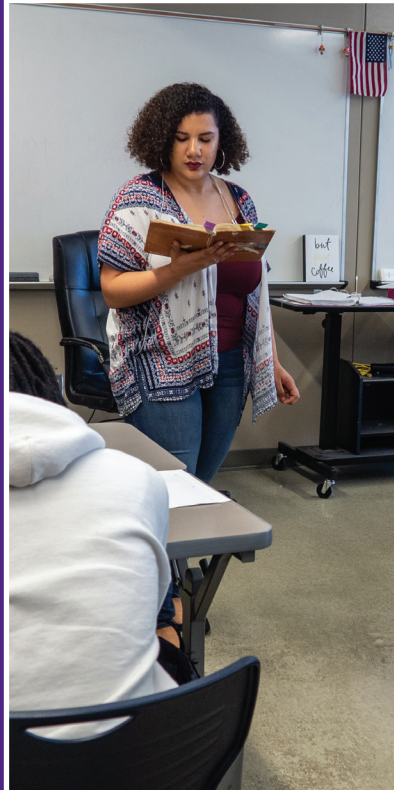

\* Collaborative licensure programs are housed in another college.

# EDUCATIONAL STUDIES

The Bachelor of Science Degree in Educational Studies prepares candidates to participate in shaping and making educational policy, working with youth in non-school settings, preparing for international teaching, or participating in the entrepreneurial realm.

# The **EDCAT** Experience

## Variety of Teaching Experiences

You will be in the classroom early and often. You could have teaching experiences anywhere from big 6A school districts such as Manhattan to small schools such as Wamego, and even military-connected schools on Fort Riley!

## Professional Advising Model

We have dedicated advisors whose main responsibility is your success. They will help you at each step on your path to graduation and becoming a teacher.

## Technology Initiatives

Technology is very important in the world of education. Here in the College of Education we have technology initiatives such as providing our students with e-textbooks to keep costs low, as well as our Makerspace that our students can use to make lesson plans.

## Faculty with K-12 Teaching Experience

With over 1,000 years of combined teaching experience in a K-12 setting, our professors in the College of Education know first-hand what it takes to be an effective teacher!

## Student Involvement

The classroom is just one part of your K-State experience, and we encourage you to join one of the more than 475 groups, clubs, professional organizations, and honor societies across campus. In other words, there are hundreds of ways to enrich your time at K-State. Sign up and find out what you enjoy!

## The EdCat Family

You become part of the EdCat family as soon as you arrive here on campus. Throughout your time here, you'll have other future teachers to connect with, faculty that can relate to your experiences, and an amazing alumni network that can support you even after you graduate.

## **ADDITIONAL ENDORSEMENTS**
